Tri-Town Junior Monarchs Advantage
“TWICE THE ICE IS NICE!”

The Tri-Town Junior Monarchs House program is proud to continue to offer our house recreational program, based out of the Tri-Town Ice Arena in Hooksett, NH. We encourage any player, whether you are a beginner or experienced, male or female to come out and join the fun. The Junior Monarchs House Program has been an exciting, inexpensive league for players to play organized hockey, enhance their skills and make new friends. Come join the Junior Monarchs today!

The season will start September 25, 2010 and run through March 27, 2011. If you are busy with fall sports, you could choose the winter season option that begins on November 6th. We will post the opening weekend skate times on our website at www.newhampshirejrmonarchs.com. Throughout the season, the teams typically meet twice a weekend: a practice on Saturday, followed by a game on Sunday. Some Saturdays will be on ice skills sessions run by our professional coaching staff. Teams are divided to ensure equality and parity amongst them. Our Squirt and U14 (Peewee/Bantam) teams may also play host to and travel to other local house league organizations. This has been and will continue to be a fantastic experience for our house league players.

Cost for Full Season (Sept 24-March 27): ONLY \$565 for the season if you sign up by September 20th. Cost is \$615 after September 20th

Cost for Winter Season (Nov 6-March 27): ONLY \$439 if you sign up before Oct 1 or \$489 if you sign up after.
